## “DRAW ANYTHING” CLASS

**Supplies for "DRAW ANYTHING"** are simple and relatively inexpensive. *Estimated* total price at Michael's with discounts is under \$40.

**A DRAWING PAD AT LEAST 9”X12”.** (Larger is fine.) High-end drawing paper is not necessary. We'll be doing lots of sketching and quick practice drawings so almost any drawing pad will do fine to begin.

**GRAPHITE DRAWING PENCILS.** At least a couple of “Ebony” style soft lead pencil is strongly recommended. You may want to get a half-dozen or so. **It is NOT necessary to purchase a pencil kit of varied hardnesses or charcoal.**

A **DRAWING BOARD** to support individual paper sheets is required.

**PENCIL SHARPENER.** A simple grade-school type personal sharpener is fine.

A **“PLASTIC” ERASER** is also highly recommended although any artist-quality eraser will suffice. Plastic erasers don't shed “crumbs” and are less abrasive than other typical erasers. (Or, the classic pink rubber slab eraser is acceptable too.)

**ARTIST DRAFTING TAPE** to hold the sheets in place is helpful. Painters tape is acceptable and is likely cheaper if purchased at a discount house like Odd Lots. Half-inch width minimum.

Links to recommended supplies found below. All references are for Michael's stores but other retailers like Hobby Lobby likely carry the same or similar material. (Prices may have changed since this list was compiled. Michael's continuously offers discounts, so watch for those. If you go to Michael's in person, when you check out always ask what discount coupons apply to your order.)
