WHAT TO BRING

- Water – Staying hydrated is essential, so bring enough water for the entire trip.
- Snacks – A light snack for the trail is always a good idea (remember to carry out any trash).
- Sunglasses – Protect your eyes from the sun.
- Hat – A hat helps protect from the sun or adds warmth on cooler mornings.
- Dress in Layers – The weather can change quickly, so wear layers.
- Hiking Shoes – The trail may be muddy, and the terrain could be rocky in places, so sturdy shoes are recommended.
- Hiking Poles – Helpful for navigating uneven terrain.
- Backpack – To carry your water, snacks, and other essentials hands-free.
