

INCLEMENT WEATHER POLICY SOUTHERN DISTRICT YMCA

The Southern District YMCA makes every effort to keep our buildings and services open to serve our members and our community. However, not every day provides the safest weather environment. Therefore, we have adopted the following inclement weather policy in the event of extreme weather conditions.

We encourage you to inquire about the status of the YMCA buildings or classes, by subscribing and checking the YMCA's website, following the SOUTHERN DISTRICT YMCA branch on Facebook, and when appropriate the WMUR closings list.

FACILITY CLOSINGS & DELAYED OPENINGS

It is very rare that we alter our regular hours at the Y. However, in the event of a power outage or if weather conditions are such that it is unsafe to have people on the roads, The SDYMCA YMCA Management Team will make a determination on whether to open on time or at all as soon as possible and announce on various web tools.

PROGRAM CANCELLATIONS AND DELAYS (Group Exercise Classes, Kids Club, Adult and Youth Programs)

If your local Y has a delayed opening due to weather:

- Kids Club will have a delayed start equal to the building opening time, unless otherwise indicated on Facebook or the website.
- All classes scheduled to start during that delay period will be canceled. Please check Facebook and the website for up to date program schedules.

If the local schools are closed due to weather:

- All morning classes scheduled to start before 9:00 am will be canceled and Kids Club may have a delayed opening.
- A decision will be made around 2:00 pm whether classes starting after 3:00 pm and Kid's Club will run.
- Check our Facebook site and webpage for the status of our School' Age Child Care Program.

If extreme weather occurs on a weekend, non-school day, or begins later in the day:

- YMCA management will make a decision on group exercise classes, programs, and Kids Club schedules as soon as possible. Building hours may be shortened due to severe weather conditions.
