FINANCIAL ASSISTANCE POLICY

All applications for financial assistance are confidential. Financial assistance is awarded according to each applicant's ability to pay and the funds we have available. Financial awards are not 100%. Any remaining tuition balances must be paid in full as described below.

EXETER AREA YMCA: Balances must be paid monthly.

YMCA CAMP LINCOLN: Balances must be paid in full before the start of the program.

YMCA SCHOOL AGE CHILD CARE: Balances must be paid monthly. Eligibility and financial awards for program tuition are based on household income, number of children enrolled in programs and total program tuition costs. Changes in enrollment will affect financial awards and overall tuition balances. Applicants are required to pay the registration fee of the program for which they are requesting. We strongly encourage families to apply for child care assistance through the State of New Hampshire before applying for financial assistance from Southern District YMCA. Learn more about the state child care assistance program online at www.dhhs.nh.gov.
