

COVID-19 Proposed Refund Policy

In the event that YMCA Camp Lincoln cancels one or all sessions due to the COVID-19 pandemic, parents will have the option to receive a full refund of tuition upon request, except for the non-refundable registration fee of \$35. However, parents will be given the opportunity to secure their child's spot for the 2021 camping season for sessions canceled and the opportunity to help preserve Camp Lincoln's legacy. Below are our refund options:

- 100% refund
- No refund, keep our money as a donation to camp, to ensure Camp Lincoln's legacy for the future, guaranteed a spot for 2021
- 50% refund, 50% donation, to help ensure Camp Lincoln's legacy for the future, guaranteed spot for 2021
- I can't donate 50%, but I'd like camp to keep some amount as a donation
- Credit for the following summer, guaranteed a spot for 2021 – Once a credit is applied for 2021, it cannot be refunded at a later date.

If YMCA Camp Lincoln is able to have the entire camping season or a shortened camping season, we will enact the following cancellation policy regarding the COVID-19 pandemic (with the above options of refunds):

- If a parent has lost his/her job due to pandemic and CDC guidelines, they will have the option for a full refund of tuition upon request.
- If a parent is concerned about the well-being of their child due to the COVID-19 virus, they have the option of receiving a full refund of tuition upon request.
- If a child needs to go to summer school or school extends into camp dates because of COVID-19, they will have the option for a full refund of tuition upon request.

Please remember that registration fees of \$35 are non-refundable.
