REGISTRATION IS NOW OPEN FOR YMCA CAMP LINCOLN

January 16, 2014 (Exeter, NH) – Online registration for summer camp at YMCA Camp Lincoln is now open! Since 1926, campers have developed friendships, discovered new talents and built self-confidence at YMCA Camp Lincoln. Families with children from ages 3 to 15 can learn more about a day at camp - and register – at ymcacamplincoln.org.

Programs for younger campers are more structured while older campers have more choices about the activities in their day. Traditional day camp activities include swimming lessons, arts and crafts, archery, sports, and more. Specialized camps for older campers offer the choice to participate in off-site activities such as golf or horseback riding.

Campers, from ages 11-15, can also participate in 5-day overnight adventure camps throughout New England, from Cape Cod to the White Mountains, and beyond to Quebec City.

YMCA Camp Lincoln offers a variety of affordable summer camp programs with transportation and expanded camp times for working families. No camper has been turned away for inability to pay in 89 years. Scholarships are available for campers in need. **Visit ymcacamplincoln.org to learn more and register for camp.**
